Produktbeschreibung

Brazilian panties Noir Vanille B-1271/2 are a sensual proposal combining refined elegance with modern design. The model enchants with lace with fancy eyelashes, creating a light, luxurious look that perfectly fits the aesthetics of the Noir Vanille collection. The delicate, white mesh adds subtlety to the whole and ensures exceptional comfort when worn. The back is made of double tulle, which perfectly fits the silhouette and remains invisible under clothing. Thin straps at the back add a seductive accent, emphasizing the modern character of the model. The Brazilian cut beautifully showcases feminine shapes, visually shaping the silhouette and adding lightness and self-confidence. Kinga Noir Vanille B-1271/2 panties perfectly complement the bra from the same line, creating a coherent and exceptionally feminine set. This is a proposal for women who want to feel elegant, sensual, and confident, both in everyday life and on special occasions.
