### Produktbeschreibung

Wild Peony Florale Maxi 10209626 Panties from Triumph are a combination of exceptional comfort, subtle style, and perfect fit. The model enchants with beautiful details made of soft, flexible lace, which gives the lingerie a feminine character and ensures comfort throughout the day. The higher cut delicately envelops the silhouette, guaranteeing a comfortable fit and subtle coverage. Smooth double-modal lining provides softness, a pleasant feeling on the skin, and additional comfort while wearing. Thanks to the carefully designed construction, the panties remain invisible under clothing. Wild Peony Florale Maxi panties are an ideal proposition for women who appreciate the combination of elegance, comfort, and high-quality materials in their daily lingerie.
